

Why do

The Everything Shoppes

Exist?

In the beginning, outreach workers and persons working in the community realized that one of the needs of a large majority of county residents was a place where they could purchase good, gently-used clothing at reasonable prices. Thus the stores were created. In 1974, the Schoharie County Council of Senior Citizens, Inc., took over the sponsorship of the stores and added homemade crafts to the inventory made by the senior of Schoharie County.

How are they stocked?

Used miscellaneous items are stocked by generous donations of clothing and small household items from individuals, churches and various organizations. Anyone who donates can request a "tax deductible" statement for the fair market value of the items. This system not only stocks the stores but gives tax credit to the donor.

**DONATE YOUR NEW OR
GENTLY USED CLOTHING &
HOUSEHOLD ITEMS**

Who staffs

the stores?

We have paid employees, senior citizens, workers employed through various programs such as Associates for Training and Development and Workforce Solutions. The stores are operated by the Schoharie County Council of Senior Citizens, Inc.

The Everything Shoppes are grateful for the volunteers that give their time to help in the stores. *If you would like to volunteer, please call the Senior Council office (518) 254-7040.*

Who Benefits?

General Public, by being able to purchase quality used clothing and other miscellaneous items at reasonable prices and crafts for that perfect gift giving occasion.

Seniors, by having an outlet for their crafts and providing employment for seniors thus allowing them to remain active in today's workforce with meaningful employment while supplementing their income.

Donors, by providing them with tax deductible slips or we will stamp their list for their income tax reporting.

Our store employees will assist you with any shopping needs.

Crafts

The stores also sell on consignment crafts that are handmade from our local seniors and residents. The crafters set their own price and the store receives a commission only when the craft is sold. There are many different types of crafts on display. We have handmade sweaters, blankets, baby items, decorations and jewelry as well as other beautiful things.

If you are a crafter and would like to display your crafts at the store, contact the:

What are *The Everything Shoppes?*

The two shops are open to the general public and specialize in offering items such as quality used clothing, miscellaneous household items, and numerous other novelties, as well as crafts made by local crafters.

The public can avail themselves of wearing apparel in the event of fire or disaster. Clothing is also available for job interviews when re-entering the work force or for a job change. Contact the Senior Council for further details.
